

Training 02 May 2025 National

Speed Numbers Trial 1, #720
Memo. time: 5 min

Key: f0ab1fd8
Recall time: 15 min

A full page of blank graph paper. The grid consists of small squares formed by thin black lines. There are 20 columns and 20 rows of squares, creating a total area of 400 small squares. A single vertical line runs down the center, separating the first 10 columns from the last 10 columns. This central line acts as a margin or a divider for two equal halves of the page.
